

Terms of Service

LAST UPDATED: 21 AUGUST 2026

Your account

You are responsible for the accuracy of the information you provide and for keeping your login credentials confidential. Each user account is intended for use by one individual.

Acceptable use

The platform is provided for legitimate supply-chain compliance activity between your company and its business partners. You agree not to misuse the platform, attempt to access data belonging to another company, or upload unlawful content.

Data you submit

You retain ownership of the compliance data, documents, and responses you submit through the platform. You are responsible for ensuring you have the right to share any documents you upload.

Availability

We aim to keep the platform available and secure, but do not guarantee uninterrupted access. Planned maintenance will be communicated where practical.

Changes to these terms

We may update these terms from time to time. Continued use of the platform after an update constitutes acceptance of the revised terms.
